NOTES:

1. TDS for Resident Investors:

Since CAT II AIFs have received Pass Through Status w.e.f. 1st April 2015, TDS @ 10% is deducted u/s 393(1) of the Act by the Fund in the PAN of resident investors on gross taxable income earned/accrued by the Fund. In case of a Resident Investor valid PAN will be mandatorily required. However, if the PAN is not updated or is invalid or is deleted, then the higher rate as per the Act u/s 397(2) (i.e., 20%) would apply.

2. TDS for Non-Resident Investors:

Since CAT II AIFs have received Pass Through Status w.e.f. 1st April 2015, as per section 393(1) of the Act, in case any income (other than business income) is payable to a non-resident, tax is required to be deducted at 'rates in force'. Thus, the tax has been deducted at source as per the rates prescribed under the Act or as per the applicable tax treaty, whichever is beneficial. Where a valid TRC is provided and the DTAA benefit is available. In the absence of DTAA benefit, and/or TRC is not available. Tax has been deducted at source as per the rates prescribed under the Act.

6. As per section 115UB read with section 10(23FBA) of the Income-tax Act ('the Act'), the income of an AIF scheme, except for any business or profession income, would be exempt from tax at the level of the AIF. In such a case, the income accruing or arising to or received by the investors out of the investment made in the AIF scheme shall be liable to tax in the hands of the investors in the same manner as if the investments had been made directly by the investors.
7. Expenses include Management fees, Admin fees, STT, and Other Expenses. Other Expenses are inclusive of Legal and Professional Expense and any other expenses which are not part of Admin fees. TDS liability on the same has been discharged by the Fund.

As per the amendment brought by the Finance (No 2) Act 2019 to the section 115UB of the Act, with effect from FY 2019-20 and onwards, in case net position of income of the CAT II AIF is a loss, other than business loss (i.e., short term capital loss I long term capital loss), such loss would be passed on to the unit holders in the CAT II AIF. The unit holders will be eligible to set off this loss against capital gains earned from the AIF or from any other source, in accordance with the set-off provisions of the Act. However, the loss with respect to units that are held for less than 12 months should be ignored for pass-through purposes.
