The 3P way. Simple but not easy.

1P Prudence of creating a portfolio of sustainable and reasonably valued businesses.

2P Patience with businesses and markets. Risk in equities reduces as investment horizon increases.

3P Performance is the outcome.

The Investors (either individually or together with their affiliates) with a Capital Commitment in the Fund ("Existing Capital Commitment") may make additional Capital Commitment any time ("Additional Capital Commitment") in the same scheme. Such Additional Capital Commitment made by an Investor may result in change in Subclass of such Investor. Such change in Subclass of Investor shall be effected on the first Business Day of the succeeding Financial Year. Further, the Investors (either individually or together with their affiliates) with an Existing Capital Commitment in the Fund may make partial/complete redemption. Such partial/complete redemption may result in change of Subclass due to change in the cost of Capital Commitment. Such change in Subclass of Investor shall be effected on the first Business Day of the succeeding Financial Year.
